PRESS STATEMENT MALAYSIAN ANTI- CORRUPTION COMMISSION

THE ISSUES OF BRIBING DOCTORS TO OBTAIN A VACCINATION CERTIFICATE

I take seriously the allegations of the public regarding the bribery of doctors or any party to obtain a vaccination certificate without receiving a vaccine injection.

This act does not only involve issues of corruption but will affect the reputation of the medical profession thus tarnishing their image if the matter was indeed true.

So far, the MACC has not received any reports related to the issue but we will investigate and conduct intelligence on locations suspected of conducting the malpractice.

Those who have any information regarding the misconduct can contact the MACC at the hotline 1-800-88-6000 or the corruption complaints portal at portaladuan.sprm.gov.my.
